If you will not be attending the meeting, you can either mail me a copy or fax it to me. My address and phone number are in the newsletter. If you want to fax it to me, call first so that I can turn the fax machine on. Only call after 5:30 PM since I am not home earlier. January & February are the last months to show your 2009 – 2010 sanction cards. After that time, you will not be eligible to win for high series or splits. So, for this month only, please show your card to me regardless if you have already. That way I'll know for sure I have you marked as having shown it. Thanks for your co-operation. Jackie

# FUNNY PAGES AND INTERESTING FACTS

## JOKE OF THE MONTH

Little Mary Margaret was not the best student in Catholic School. Usually she slept through the class. One day her teacher, a Nun, called on her while she was sleeping. "Tell me Mary Margaret, who created the universe?" When Mary Margaret didn't stir little Johnny, her friend sitting behind her, took his pencil and jabbed her in the rear. "God Almighty!" shouted Mary Margaret. The Nun said, "Very good" and continued teaching her class. A little later the Nun asked Mary Margaret, "Who is our Lord and Savior?" But Mary didn't stir from her slumber. Once again, Johnny came to her rescue and stuck Mary Margaret in the butt. "Jesus Christ!!!" shouted Mary Margaret, and the Nun once again said, "Very good," and Mary Margaret fell back asleep. The Nun asked her a third question..."What did Eve say to Adam after she had her twenty-third child?" Again, Johnny came to the rescue. This time Mary Margaret jumped up and shouted, "If you stick that damn thing in me one more time, I'll break it in half!" The Nun fainted.....

## WOULD YOU BELIEVE!!!

When William K. Anderson, 51, stopped by the Lee County, Tenn., social services office to apply for welfare, workers there took particular note of what he parked in the lot: a nice new Hummer H2 with out-of-state tags. They jotted down the license number and called the sheriff, who found the vehicle had been reported stolen. Deputies spotted it in a Wal-Mart parking lot, and staked it out until someone got in and drove away. It was Anderson, who was stopped and charged with possession of stolen property. "It doesn't pay to apply for welfare while driving a Hummer," said Sheriff Gary Parsons.

## ON THIS DATE

On January 10, 1901 - Oil was discovered at the Spindletop oil field near Beaumont, Tx.

## WEIRD BUT TRUE

In Milwaukee, the family of Robert Senz demanded shortly after his burial in July of 1996 that Borgwardt Funeral Home dig up the body because Senz's wallet was missing. Sure enough, the wallet containing \$64 and credit cards was still in Senz's pocket. In February of 1997, Borgwardt sent the now-\$64-richer family a re-burial bill for \$2,149, but after the family protested, decided the whole thing was the county medical examiner's fault and sent the bill there.

## MORONS

Three men and a woman from Atlantic City, N.J., were arrested in August and charged with robbing the Artisans Bank in Bear, Delaware. Their escape after the robbery had been delayed when they accidentally left the keys to the getaway car in the bank.
