FUNNY PAGES AND INTERESTING FACTS

JOKE OF THE MONTH

Joe grew up in a small town, then moved away to attend college and law school. He decided to come back to the small town because he could be a big man in this small town. He really wanted to impress everyone. He opened his new law office, but business was very slow at first. One day, he saw a man coming up the sidewalk. He decided to make a big impression on this new client when he arrived. As the man came to the door, Joe picked up the phone. He motioned the man in, all the while talking. "No. Absolutely not. You tell those clowns in New York that I won't settle this case for less than one million.." "Yes. The Appeals Court has agreed to hear that case next week. I'll be handling the primary argument and the other members of my team will provide support.." "Okay. Tell the DA that I'll meet with him next week to discuss the details.." This sort of thing went on for almost 5 minutes. All the while the man sat patiently as Joe rattled instructions. Finally, Joe put down the phone and turned to the man. "I'm sorry for the delay, but as you can see, I'm very busy. What can I do for you?" The man replied "I'm from the phone company..I came to hook up your phone."

WOULD YOU BELIEVE!!!

An employee at the Matthaei Botanical Gardens at the University of Michigan in Ann Arbor called campus police after he spotted 11 suspicious sprouts growing in a student project. The student assignment "was to grow various herbs, vegetables, annuals and perennials, but not marijuana," said a police spokesman. The extracurricular herbs were confiscated.

FAMOUS QUOTES:

Abraham Lincoln - "Seriously, I do not think I am fit for the Presidency."

ON THIS DATE

On March 7, 1908 the mayor of Cincinnati, Mark Breith, announced before the city council that, "Women are not physically fit to operate automobiles."

WEIRD BUT TRUE

A 20-year veteran Houston cop who wears badge number 666 told the Houston Chronicle in a December profile that once, 17 years ago, a dangerous perp who had been defiant that he would not be captured suddenly dropped to his knees and surrendered. He had glanced at the badge. Said he, "I ain't fighting the devil."

MORONS

Fireworks are a longstanding lunar New Year's tradition among Malaysia's large Chinese minority, and continue to be widely used to celebrate, despite a ban on their sales and use. Wan, a 29-year-old excavator operator, spent the evening watching people set off fireworks outside a suburban Kuala Lumpur nightclub. These were no mere firecrackers. They were rockets that shot as high as a ten-story building before exploding. His curiosity piqued, Wan bent over one of the launching tubes for a closer look, wondering how these powerful rockets worked. He was peering down the tube when it fired, sending him flying ten meters. He died instantly from severe head injuries, according to a senior police official.
