Trivia Answer:
The First Saint Patrick's Day Parade was held in 1737 – in Boston, Massachusetts. Dublin, Ireland did not hold their first parade until 1931. St. Patrick, himself, was not Irish! He was a Romano - Briton Christian missionary born in England. When he was about 16, he was captured from Wales by Irish raiders and taken as a slave to Ireland, where he lived for six years before escaping and returning to his family. After entering the Church, he returned to Ireland as an ordained bishop in the north and west of the island, and was named a Patron Saint of Ireland in the seventh century.

FUNNY PAGES AND INTERESTING FACTS

JOKE OF THE MONTH

The pastor asked if anyone in the congregation would like to express praise for answered prayers. Suzie Smith stood and walked to the podium. She said, "I have a praise. Two months ago, my husband, Tim, had a terrible bicycle wreck and his scrotum was completely crushed. The pain was excruciating and the doctors didn't know if they could help him."

You could hear a muffled gasp from the men in the congregation as they imagined the pain that poor Tim must have experienced.

"Tim was unable to hold me or the children," she went on, "and every move caused him terrible pain." We prayed as the doctors performed a delicate operation, and it turned out they were able to piece together the crushed remnants of Tim's scrotum, and wrap wire around it to hold it in place."

Again, the men in the congregation cringed and squirmed uncomfortably as they imagined the horrible surgery Performed on Tim.

"Now," she announced in a quivering voice, "thank the Lord, Tim is out of the hospital and the doctors say that with time, his scrotum should recover completely."

All the men sighed with unified relief. The pastor rose and tentatively asked if anyone else had something to say.

A man stood up and walked slowly to the podium. He said, "I'm Tim Smith." The entire congregation held its breath.

"I just want to tell my wife the word is sternum."

ON THIS DATE: On March 4, 1493 – Explorer Christopher Columbus arrives back in Lisbon, Portugal, aboard his ship Niña from his voyage to what is now The Bahamas and other islands in the Caribbean.

FAMOUS QUOTES:

Don't walk behind me; I may not lead. Don't walk in front of me; I may not follow. Just walk beside me and be my friend.

St. Patrick's Chocolate & Mint Cheesecake Bars

Ingredients

1 (18.25 ounce) package chocolate fudge cake mix with pudding (such as Betty Crocker® Triple Chocolate Fudge cake mix)
1/2 cup butter, softened
3 (8 ounce) packages cream cheese, softened
1 (16 ounce) container cream cheese flavored frosting (such as Betty Crocker® Rich and Creamy)
3 eggs
6 drops green food coloring, or as needed
3 drops crème de menthe candy flavoring (such as Wilton®), or as needed
1 (10 ounce) package dark chocolate and mint chips (such as Nestle® Toll House® Dark Chocolate and Mint Morsels)

Directions:

Preheat oven to 325 degrees F (165 degrees C). Beat cake mix and butter with an electric mixer on low speed in a bowl until crumbly, 3 to 5 minutes. Set aside 1 cup for topping. Press remaining crumb mixture into bottom of an ungreased 9x13 inch pan. Place in preheated oven and bake until edges begin to crisp, about 10 minutes. Remove from the oven and cool slightly. Beat cream cheese and frosting with an electric mixer on medium speed in a bowl until smooth, 3 to 5 minutes. Drop eggs one at a time into the cream cheese mixture and beat until blended, 2 to 3 minutes. Pour in 6 drops green food coloring, or more for a darker color; beat until color is blended, about 2 minutes. Beat in crème de menthe candy flavoring until thoroughly blended, about 2 minutes. Taste and add more flavoring if needed. Pour batter over the chocolate crust in the 9x13 pan. Sprinkle 1 cup reserved crumb mixture over cheesecake batter. Top with 1 cup chocolate and mint morsels; reserve remaining morsels for finishing touches. Place the pan in the preheated oven and bake until set, 42 to 45 minutes. Remove pan from oven and cool completely. Cover and refrigerate until chilled, at least 2 hours. Pour reserved chocolate and mint morsels into a small microwave-safe bowl. Microwave morsels in 45 second intervals; stir until completely melted and smooth. Pour melted chocolate into a resealable plastic bag. Clip a small bottom corner of the bag. Gently squeezing the bag, drizzle melted chocolate over the cooled cake through the clipped corner. Cut cake into bars to serve.
