Note from Jackie:

We still have some coming in at 1:30 to sign up. You need to be there and signed up before that time. At that time I start putting the recaps on the lanes so when the meeting is over, names can be put in before time to start bowling. When it is the same ones every time **they** need to make the change, not me.

There are still many of you that have not shown your sanction cards to me. I know you complain when I do it but, it is necessary. **IN APRIL, WHEN YOU SIGN IN, I MUST SEE YOUR CARD NO MATTER IF I HAVE SEEN IT ALREADY.** That means no one can sign you in early without your card.

Thanks,
Jackie

Trivia Answer:

FUNNY PAGES AND INTERESTING FACTS

JOKE OF THE MONTH

Orville Smith, a store manager for Best Buy in Augusta, Georgia, told police he observed a male customer, later identified as Tyrone Jackson of Augusta, on surveillance cameras putting a laptop computer under his jacket... When confronted the man became irate, knocked down an employee, drew a knife and ran for the door. Outside on the sidewalk were four Marines collecting toys for the "Toys for Tots" program. Smith said the Marines stopped the man, but he stabbed one of the Marines, Cpl. Phillip Duggan, in the back; the injury did not appear to be severe. After Police and an ambulance arrived at the scene Cpl. Duggan was transported for treatment. The subject was also transported to the local hospital with two broken arms, a broken ankle, a broken leg, several missing teeth, possible broken ribs, multiple contusions, assorted lacerations, a broken nose and a broken jaw...injuries he sustained when he slipped and fell off of the curb after stabbing the Marine. Now that was a well written Police report!

ON THIS DATE

April 3, 2011 marks the 38th anniversary of the first public telephone call placed on a portable cellular phone. Martin Cooper (now chairman, CEO, and co-founder of ArrayComm Inc) placed that call on April 3, 1973, while general manager of Motorola's Communications Systems Division. It was the incarnation of his vision for personal wireless communications, distinct from cellular car phones. That first call, placed to Cooper's rival at AT&T's Bell Labs from the streets of New York City, caused a fundamental technology and communications market shift toward the person and away from the place.

FAMOUS QUOTES:

“We secure our friends not by accepting favors but by doing them.”
- Thucydides

Next-Generation German Potato Salad

4 pounds small red potatoes, quartered
10 bacon strips, chopped
1 large onion, chopped
2 cloves garlic, chopped
3 tablespoons chopped celery
2 tablespoons chopped green pepper
1 tablespoon all-purpose flour
1 tablespoon sugar
1 teaspoon salt
1/2 teaspoon pepper
1 cup water
1/3 cup white balsamic vinegar

Place the potatoes in a Dutch oven and cover with water. Bring to a boil. Reduce heat; cover and simmer for 15-20 minutes or until tender. Meanwhile, in a large skillet, cook bacon over medium heat until crisp. Using a slotted spoon, remove to paper towels. In the drippings, saute the onion, garlic, celery and green pepper until tender. Stir in the flour, sugar, salt and pepper until blended. Combine water and vinegar stir into vegetable mixture. Bring to a boil; cook and stir for 2 minutes or until thickened. Drain potatoes and place in a large serving bowl. Pour dressing over potatoes. Add bacon and toss to coat. Serve warm or at room temperature. Refrigerate leftovers.

MORONS

Seems that some time ago, some Boeing employees on the field decided to steal a life raft from one of the 747s. They were successful in getting it out of the plant and home. When they took it for a float on the Stilliguamish River, they were quite surprised by a coast guard helicopter that was homing in on the emergency locator that is activated when the raft is inflated. They are no longer employed at Boeing.
