## **Annual Tournament Update:**

We only have six teams going to the tournament that I know of. Only one application has been turned in so far. Please be aware that at the next meeting on June 7, 2009, all applications must be turned in with the money or a check for the tournament and cash or a check for the dinner/dance made out to the Houston Chapter Buzzard Club. No exceptions!!! Those that already have the applications, try to return them to Gayle or me before the June meeting if possible. The June 15<sup>th</sup> date on the application is for me to have them in Arkansas by then. I will have them in the mail no later than the 10<sup>th</sup>. Call me if I can mail you an application now or come to the Del Mar Lanes any Thursday between 11:30 AM and 2:45 PM and I will have some with me. You can also contact Dennis Davis. We'd

like a good turn out for the tournament. Jackie

# **FUNNY PAGES AND INTERESTING FACTS**

## **JOKE OF THE MONTH**

A drunk walks into a bar and says to the bartender, "Drinks for all on me. That is including you, bartender." The bartender follows the man's order and says, "That will be \$42.50 please." The drunk says he has no money, and the bartender slaps him around and throws him out. The next night, the same drunk comes in and orders a drink for everyone in the bar including the bartender. Again, the bartender follows the drunk's instructions and the drunk says he has no money. So the bartender slaps him around and throws him out. On the third night he comes in, the drunk orders drinks for everyone except the bartender. The bartender says, "What, no drink for me?" "Oh, no. You get violent when you drink."

## **WOULD YOU BELIEVE!!!**

When police in Chesterton, Ind., responded to a call of a suspicious man in a gas station bathroom, they couldn't help but notice the odor of glue around him. They asked if he had been sniffing glue. Nope, he said, but then he tried to throw his cigarette away. It stuck to his fingers. Brett Kolarik, 34, was charged with public intoxication and glue sniffing.

## **ON THIS DATE**

On June 7, 1776 - Richard Henry Lee of Virginia proposed to the Continental Congress a resolution calling for a Declaration of Independence.

## **WEIRD BUT TRUE**

Charles Dellaria, 37, was arrested in Mashantucket, Conn., for allegedly stealing an ice chest. Not just any ice chest: this one belonged to the New England Eye & Tissue Transplant Bank and contained two human corneas meant for transplant. "I don't believe he's involved in any type of stolen human body part ring," said State Police Detective Jeff Megin, who interviewed Dellaria, noting the foam container looked like ones fishermen use. "He thought they were lobsters."

## **MORONS**

A Houston man purchased his own above ground pool on June 21, 1998. He selected the location, and the pool was installed by an independent contractor a few days later. He rated all aspects of the installation as "excellent." A few weeks later, the pool owner was swimming with his friends and enjoying an alcoholic Fourth of July haze in the humid Houston heat. In an unprecedented show of bravado, the man decided to climb onto his patio roof and dive into his pool. The man was six feet tall. His pool, typical for an above ground pool, was four feet deep. So when his head hit the bottom, his legs were still sticking two feet out of the water. The dive broke his neck.

## **FAMOUS QUOTES:**

**Danny DeVito** - "There are two dilemmas that rattle the human skull: How do you hang on to someone who won't stay? And how do you get rid of someone who won't go?"
