Dennis went over the Annual Tournament and also the upcoming local tournaments. He also stressed to the members again that if there is a problem, to see one of our local officers. Nothing else was brought up so the meeting was adjourned.

We had 56 Buzzards at the gathering in June including three that did not bowl and no pacers. Our next scheduled gathering is on **July 10th @ Max Bowl North 2390 Wilson Road Humble (281) 540-2800**. The meeting begins at **1 PM** and bowling begins at **2 PM** so please be signed up by **1:30 PM**.

Bowling Reminder:

Please keep in mind that there are only two balls per lane during warm-up and not 10 minutes. First and last names of bowlers are to be put on the re-cap sheets each month. Also, make sure the total number of splits and your games are totaled before you sign the sheet at the end of bowling. If you re-qualify, please make a note on the re-cap sheet and you can receive a Buzzard pin for \$ 2.00 and be entered for “THE ELLIE DEASON MEMORIAL THREE – IN – A- ROW “roll-off in January. **Don't forget, if you show up to bowl in your Birthday month, you pay only \$6.**

Stupid State Laws:

In Salt Lake City, Utah - It is illegal to detonate any nuclear weapon.

Monthly Trivia:

Texas is home to over a hundred lakes. How many of them are naturally formed and not man made?

Tournament News:

There are 12 teams going to San Antonio. We wish all teams good luck, and remind all bowlers to bring their membership cards with them – **IT IS REQUIRED FOR YOU TO BE ABLE TO BOWL IN THE TOURNAMENT.** You will have to present your card when you sign in. FUNNY PAGES AND INTERESTING FACTS

JOKE OF THE MONTH

You've all heard of the Air Force's ultra-high-security, super-secret base in Nevada, known simply as "Area 51?" Well, late one afternoon, the Air Force folks out at Area 51 were very surprised to see a Cessna landing at their "secret" base. They immediately impounded the aircraft and hauled the pilot into an interrogation room. The pilot's story was that he took off from Vegas, got lost, and spotted the Base just as he was about to run out of fuel. The Air Force started a full FBI background check on the pilot and held him overnight during the investigation. By the next day, they were finally convinced that the pilot really was lost and wasn't a spy. They gassed up his airplane, gave him a terrifying "you-did-not-see-a-base" briefing, complete with threats of spending the rest of his life in prison, told him Vegas was that-a-way on such-and-such a heading, and sent him on his way. The day after that though, to the total disbelief of the Air Force, the same Cessna showed up again. Once again, the MP's surrounded the plane...only this time there were two people in the plane. The same pilot jumped out and said, "Do anything you want to me, but my wife is in the plane and you have to tell her where I was last night!"

FAMOUS QUOTES:

"Let every nation know, whether it wishes us well or ill, we shall pay any price, bear any burden, meet any hardship, support any friend, oppose any foe, to assure the survival and success of liberty."

- John F. Kennedy

Coyote, Woody Woodpecker, Barney Rubble, Mr. Spacely, Speed Buggy, Captain Caveman, Heathcliff, Speedy Gonzales, and

hundreds of others. At the time of his death, it was estimated that 20 million people heard his voice every day.

Country Apple Dumplings

Ingredients

- 2 large Granny Smith apples, peeled and cored
- 2 (10 ounce) cans refrigerated crescent roll dough
- 1 cup butter
- 1.5 cups white sugar
- 1 teaspoon ground cinnamon
- 1 (12 fluid ounce) can or bottle Mountain Dew™

Directions

Preheat the oven to 350 degrees F (175 degrees C). Grease a 9x13 inch baking dish. Cut each apple into 8 wedges and set aside. Separate the crescent roll dough into triangles. Roll each apple wedge in crescent roll dough starting at the smallest end. Pinch to seal and place in the baking dish. Melt butter in a small saucepan and stir in the sugar and cinnamon. Pour over the apple dumplings. Pour Mountain Dew™ over the dumplings. Bake for 35 to 45 minutes in the preheated oven, or until golden brown

MORONS:

A Californian visting The Grand canyon named Andrew died in a bizarre accident. Because of the tiresome problem of tourists meandering their way into disaster, the more treacherous overlooks in the Grand Canyon are protected by fences and signs. All of these overlooks are spectacular. Some have towering columns, some have small plateaus that tourists toss coins onto, like dry wishing wells. Andrew wished for financial success. And there in front of him was a means to an end. He had a brilliant idea. No stranger to danger, the man climbed over the fence with a bag, leapt to one of the precarious, coin-covered perches, and filled the bag with booty. But. When he tried to leap back to the safe side, he went head to head with physics. Specifically, $F = mg$. Our entrepreneur had increased his mass, and the force required to lift himself against the pull of gravity was now greater. The heavy bag of coins arrested his jump and he plunged to the valley floor below, followed by a shower of coins.
