Note from Jackie:

The new membership cards are white with some red & blue. Names & numbers can be read very easily now. Winter leagues have already begun so that means new membership cards should be starting to come in. **PLEASE BRING YOUR NEW CARD IN FOR ME TO SEE !!** Put it in your wallet as soon as you get it. If everyone would bring it in before December or January, it would be greatly appreciated. Long time members know this but they delay. The receipt you get doesn't count. It has to be the actual new card.

PLEASE ! Whoever fills out the re-cap, be sure to total everything. No one should put their initials out to the side if your score is not totaled. Your splits should also be totaled **and not circled.**

Thank You:

A big thank you goes out to Pete Harvey for setting up our website. Go to www.houstonbuzzardclub.com and check out what a great job Pete has done. Pete would like for the members to e-mail him any pictures, new or old - bowling or entertaining, at petehrvy@hotmail.com. The idea and the goals of the officers was not only that our website be informative, but also entertaining and fun. Give us your opinions and suggestions.

Christmas Party Reminder:

Donna Castellese has a list that was passed around at our October gathering and will have it at our November gathering. If you plan on being at the Christmas party, let Donna know how many will be coming and what you will bring (vegetable, salad or dessert). FUNNY PAGES AND INTERESTING FACTS

JOKE OF THE MONTH

There was once a man who was in a bar, terribly drunk. The bartender noticed this, and when he asked for another beer, the bartender politely told him that he was too drunk to be served another drink. The man leaves. He walks in the side door and asks the bartender for a beer. A little frustrated, the bartender repeats the answer he said before. The man leaves. He then comes in the other side door, walks to the bartender and asks for a beer. The bartender is annoyed, and tells the man he is too drunk and to get a ride home and leave his bar. He leaves. He then comes in the BACK door, comes to the bartender, and before he can say a word, the bartender explodes at him. "I told you already, you are way too drunk, you cannot have another beer! Get out of my bar!" Disgruntled, the man looks at the bartender and asks, "Man, how many bars do you work at?"

FAMOUS QUOTES:

Clint Eastwood - "There's only one way to have a happy marriage and as soon as I learn what it is I'll get married again."

WEIRD BUT TRUE

When a 5'-11" robber weighing 235 pounds hit a Subway sandwich shop in Houston, Texas, the gal behind the counter wouldn't have any of it. "When the register opened, he lunged over and grabbed it," said clerk Yava Matthews. "My initial response was to hit him. So I hit him." The shocked robber fell back against a wall, but then realized he had the cash drawer in his hands and made a break for the door. "I jumped over the counter and then jumped on him," Matthews said. "A lot of people were standing around and I told them to give me something. Somebody brought me some handcuffs, so I got him and I handcuffed him." But the robber still struggled until someone handed her a Taser. "I am Tasing him and he says, 'I can't breathe. I can't breathe,'" Matthews remembered. "I said, 'If you

can talk to me, you can breathe. So be quiet before I taser you again." At that, the robber started to cry, and about then police arrived and arrested Tracy Armstead, 29, for attempted robbery.

ON THIS DATE

On November 7, 1811 - The Shawnee Indians and their chief Tecumseh were defeated by William Henry Harrison at the Battle of Wabash (Tippecanoe).

WOULD YOU BELIEVE!!!

When Megan T. Cullop, 33, and her 12-year-old son were allegedly caught trying to shoplift a shopping cart-full of merchandise from a Wal-Mart store in Elizabethton, Tenn., they were allowed to leave once the cart was secured in the store's customer service area. The next day, Cullop went back and allegedly sent her son in to retrieve the cart. The boy was apprehended trying to leave the store with the cart, and this time, they called the police. By the time officers arrived, Cullop had fled -- leaving the boy behind. An officer found Cullop a short distance away, and she was arrested and charged with contributing to the delinquency of a minor, child neglect, theft over \$500, drug possession, and driving with a revoked license after a previous conviction for driving under the influence.

MORONS

Wan, a 29-year-old excavator operator spent the evening watching people set off fireworks outside a suburban Kuala Lumpur nightclub. These were no mere firecrackers. They were rockets that shot as high as a ten-story building before exploding. His curiosity piqued, Wan bent over one of the launching tubes for a closer look, wondering how these powerful rockets worked. He was peering down the tube when it fired, sending him flying ten meters. He died instantly from severe head injuries, according to a senior police official.
